

2013 GYCC Selected Projects

Project Type	2013 Amount	Submitted by / Location
--------------	-------------	-------------------------

Tier 1

Sustainable Operations Total \$32,600		
Energy Efficient Window Retrofits for Historic Buildings	\$5,100	SOS Committee / Grand Teton NP
Propane Cylinder Recycling: purchase more bins; transport in southern GYA	\$11,000	SOS Committee / Gallatin, Custer, Bridger-Teton NFs, Grand Teton NP
Wind River District Xeriscape Plan	\$3,000	SOS Committee / Shoshone NF
Johnson Guard Station Solar Lighting	\$6,000	SOS Committee / Caribou-Targhee NF
Virtual Resource Stewardship: Pilot effort to use webcams to monitor backcountry fires	\$7,500	SOS Committee / Bridger-Teton NF

Ecosystem Health: Aquatic Invasive Species Total \$55,000		
Social Marketing Campaign: Target groups (e.g. guides and outfitters) to take action	\$15,000	AIS Committee / GYA
Monitor identified high priority waters for AIS	\$40,000	AIS Committee / GYA

Ecosystem Health: Terrestrial Invasive Species Total \$15,000		
GYA EDRR Weed Mapping and Database Support	\$6,000	Terrestrial Invasives Committee /GYA
GYA Education Publications / Printing	\$4,000	Terrestrial Invasives Committee /GYA
Cooperative Weed Control Project	\$5,000	Terrestrial Invasives Committee /GYA

Ecosystem Health: Native Fisheries Total \$16,000		
Monitor Changes to Native Fish Populations	\$16,000	Fisheries Committee/ Forests, Parks

Ecosystem Health: Whitebark Pine Total \$60,550		
Greater Yellowstone Grand Teton Tree Improvement Collect plus tree cones, pollen, scion, aeciospores	\$13,550	Whitebark Pine Committee / GYA
Plant Whitebark Pine Seedlings: Plant 50,000 wbp seedlings on 253 acres on 4 units	\$24,000	Whitebark Pine Committee / Gallatin, Shoshone, Bridger-Teton NFs, Grand Teton NP
Operational Seed Collection across GYA	\$18,000	Whitebark Pine Committee / GYA
Whitebark Pine Strategy Data Support	\$5,000	Whitebark Pine Committee / GYA

Ecosystem Health: Wildlife Total \$13,000		
GYA National Forest Campground Assessment Report	\$3,000	Gallatin NF / GYA Forests
GYA Grizzly Bear Management Training for Agency Personnel	\$10,000	Gallatin NF / GYA

Ecosystem Health: Water Quality and Flow Total \$50,000		
Prioritize Watersheds for Targeted Improvement	\$2,000	GY Hydrologists / GYA
Reference Multiple Indicator Monitoring Stream Surveys	\$13,000	GY Hydrologists / Forests, BLM
GYA Watershed Vulnerability Assessment for Climate Change	\$35,000	GY Hydrologists / GYA

2013 GYCC Selected Projects

Project Type	2013 Amount	Submitted by / Location
Tier 2		
Ecosystem Health: Air Quality Total \$10,000		
Air Pollution Critical Load Development – Macro Invertebrate Analysis	\$10,000	GYA Clean Air Partnership / GYA
Ecosystem Health: Climate Change Adaptation Total \$10,350		
Melting Snow and Ice at the Crossroads of Culture and Climate Change. Phase 1.	\$10,350	Custer NF / GYA
Connect People to Land Total \$4,500		
Bear Creek Natural Resources Field Camp	\$4,500	Gallatin NF / Gallatin and Beaverhead-Deerlodge NFs
